

Application to Receive Donations from the Friends of the Arlington Heights Memorial Library

The Friends of the Arlington Heights Memorial Library sell book and audio-visual donations in our book shop and at our book sales. Funds raised by the Friends are used to support Library programs, exhibits, equipment, arts, and services. Items not sold are either re-donated or recycled.

FOL will consider donation requests from nonprofit organizations and other groups that promote literacy, support education, or provide community services. Once approved, someone will respond via the email address provided in your completed form. Preference will be given to approved organizations in our local area. Pick-up at the Arlington Heights Memorial Library is required.

If your organization is interested in receiving free materials, please fill out this form.
